

Evaluation and Legislative Committee Charter 2009-2012

Overview

(As outlined on Committee Preference List)

Reviews UCom General Conference legislation and advises staff on legislative strategy. Reviews and approves reports on the agency's work that are submitted to the denomination.

Objectives

(What is the vision the committee has for the 2009-2012 quadrennium?)

1. To send appropriate legislation related to UCom's work to the 2012 General Conference.
2. To review and make recommendations about reports of the agency's work during the 2009-2012 that will be forwarded to the 2012 General Conference and other appropriate denominational entities.

Responsibilities

(What steps will be taken to achieve the objectives? Begin each statement with a verb.)

1. Oversee a quadrennial evaluation process for the agency.
2. Propose legislation to the 2012 General Conference
3. Develop and implement strategy for General Conference proposals.

Deliverables

(What will the task force do to report on the achievement of objectives?)

1. Appropriate and enabling legislation will be prepared and submitted to the 2012 General Conference.
2. UCom legislation will be adopted by the 2012 General Conference.
3. A comprehensive report of UCom's work will be submitted to the 2012 General Conference and other appropriate denominational entities
